

HealthSpan E-Coach Offered to BHP Medical Plan Members

www.healthspane-coach.com

I need support in making a change to my diet.

The HealthSpan E-Coach is a unique tool to assist you in achieving your specific health and lifestyle goals. By working with your own personal coach, you will be able to identify the goals appropriate for you and access resources including health assessments, trackers, articles and daily messages.

Your E-Coach can help you with nutrition, weight loss, exercise, stress, symptoms, drug interactions and much more.
